

Print Designer (Contract)

Position

You will work under the direction of the Creative Director and Head of Design for the creation of Our Second Nature's (OSN) textile prints, and play a pivotal role in strengthening OSN's brand and product through print design. This is a contract position.

Responsibilities

- / Design original textile prints for OSN's range of product categories
- / Conduct research and present print concepts to the Creative Director and Head of Design
- / Work closely with the Head of Design to execute print concepts into print design
- / Use Photoshop, Illustrator, and free-hand drawing to prepare and modify artwork till completion
- / Produce print repeats from final artwork, including any editing, re-touching, re-colouring, and matching of colours to pantone standards
- / Collaborate with design team and product development team to apply print design onto sample garments
- / Review print design on samples and make necessary and suitable adjustments to print design
- / Keep up to date on industry trends

Requirements

- / Minimum 1 year working experience in graphic or textile print design
- / Strong verbal and written communication skills in English

To apply, please submit your CV and portfolio to join@oursecondnature.com.
